

EXPERIENCE MATTERS

My name is Dan Goldstein. I'm a Hayward Planning Commissioner and candidate for Hayward City Council on the November 2022 ballot. As a single dad of two great teenagers, and a 17-year Hayward homeowner, I want to make Hayward safe and affordable for all of us—including my kids and yours.

My Priorities

- ▶ **Safe, clean, walkable neighborhoods.** Community-responsive public safety with neighborhood partnerships will help improve safety and reduce crime.
- ▶ **Safe, Inclusionary, affordable housing.** Give all Hayward families access to good schools, fresh food, and quality services. Help young families stay near their parents.
- ▶ **Less Traffic.** Promote 'work from home' plans across the region. Use technology to improve traffic flow. Creating more local jobs means less traffic on our freeways. Make our city more walkable and bikeable.
- ▶ **Build Education partnerships that strengthen schools and create a path to prosperity.** Continue funding conflict resolution classes. Increase funding for career/job-training and entrepreneurship classes.
- ▶ **Provide Economic Opportunity.** Open a business incubator supported by proven leaders from local business, the Chamber of Commerce, and Hayward Rotary. Promote 'hire locally/ shop locally' programs.

- ▶ **Partner with H.A.R.D. to increase Hayward recreation opportunities.** Get La Vista Park fully developed. Restore parks that need the help. Bring more sports/recreation opportunities to Hayward.
- ▶ **Extend Hayward's Environmental Leadership.** Promote East Bay Community Energy's 100% Renewable plans. Encourage investment in solar farms and rooftop solar. Require the City's fleet to be electric vehicles.

- ✓ **Proud single dad of two great teenagers.**
- ✓ **Cyber-security expert with 30+ years' experience growing business start-ups.**
- ✓ **Hayward Planning Commissioner since 2015.**
- ✓ **Board Member/President, Altura at Garin Heights Homeowners' Association.**
- ✓ **Civic, Education and Public Safety Volunteer — 10+ years.**
